

Ruturaj Padhy

B. Tech (Computer Science and Engineering)

Email: ruturajpadhy2005@gmail.com

Phone: +91-7735911353

Career Objective

Passionate to be a developer ,Eager to about designing scalable and efficient solutions using Python,Web Dev and having a good command in MySQL and Firebase with foundational knowledge of Android App Development using Kotlin.

Educational Qualifications

Degree and Year	Institute Name	Board / University	% / CGPA
B. Tech (CSE) 2023-27	GANDHI INSTITUTE OF ENGINEERING AND TECHNOLOGY UNIVERSITY, GUNUPUR	GIET UNIVERSITY	8.81
+2 Science in 2023	NALANDA VIDYA MANDIR H S SCHOOL, BERHAMPUR	CHSE	85.33
10 th in 2021	KHANDADEULI HIGH SCHOOL, KHANDADEULI	BSE	84.16

Training / Certification

- The Joy of Computing Using Python by NPTEL
- Data Analytics with Python by NPTEL
- Introduction To Industry 4.0 and Industrial Internet Of Things by NPTEL
- Gen AI Academy by Google Cloud and Hack2Skill
- Supply Chain & Logistics Management by EduSkills
- AI for Sustainability Virtual Internship by 1M1B (in collaboration with IBM SkillsBuild), supported by AICTE.
- Build Static Website by NxtWave
- Build Responsive Website by NxtWave
- Introduction To Database by NxtWave

Achievements and Extracurricular activities

- Google Cloud Skills Boost – Diamond League
- Participated and earned 101 badges in Google Cloud Arcade Facilitator Program 2025

Technical Skills

- Python
- Data Structures
- Java
- Algorithms
- Google Cloud
- Kotlin
- C/C# using .net

Soft Skills

- Communication
- Responsibility
- Teamwork
- Problem Solving

Position of Responsibility

Here are the Following Positions of Responsibilities I've been a part of

Name	Description
Led a Team of 3 Members in Web Projects	Led a team of 3 members in projects: 1. EduTrack – Task, Time & Study Workflow Manager 2. DueDesk - Customer Due Tracking & Recovery Platform 3. Inventra - Inventory Tracking & Backup Management Platform

Internship Programs

Successfully completed a summer internship with Remark Skill Education on Dot Net Full Stack Development with Project .

Internship Project Details

ANDROID APP DEVELOPMENT USING KOTLIN	- Developed and maintained android applications using Kotlin. - Implemented UI/UX improvements - Integrated Firebase for authentication ,realtime - database
DOT NET FULL STACK DEVELOPMENT WITH PROJECT	- Developed and maintained Web applications using Dotnet(.net). - Implemented UI/UX improvements

Project Details

Name of the Project	Result Management System
Language used	C# using .net
Description	The Result Management System, built with ASP.NET Razor Pages, streamlines student result processing through secure Admin, Faculty, and Student panels. It supports marks entry, grade calculation, performance tracking, and PDF/Excel report generation. With role-based access control and real-time analytics, it ensures accuracy, transparency, and efficient academic management.

Name of the Project	EduTrack
Languages used	HTML, CSS, JS
Description	EduTrack is a smart academic productivity platform that combines a To-Do List, Pomodoro Timer, Calendar, and quick-access shortcuts in one workspace. It helps students manage tasks, stay focused, track progress, and build disciplined study habits. By centralizing essential tools, EduTrack enhances productivity and supports consistent academic performance.

Name of the Project	Inventra
Languages used	Kotlin, XML, Room Database, Google Drive API
Description	Inventra is a smart inventory and stock management application that helps users efficiently manage products, monitor stock levels, track inventory history, and generate reports. The system supports Google Sign-In, automated cloud backup and restore using Google Drive, low-stock alerts, inventory analytics, and offline-first data storage with Room Database. By combining inventory tracking, data recovery, and cloud backup in a single platform, Inventra improves inventory control, data security, and operational efficiency.

Name of the Project	DueDesk
Languages used	Kotlin, XML, JavaScript (Google Apps Script)
Description	DueDesk is a smart due tracking and payment management platform designed for small businesses and shop owners. It enables users to record customer dues, track outstanding balances, manage partial payments, and maintain transaction history in a centralized system. With cloud-based storage using Google Sheets and real-time updates through APIs, DueDesk simplifies credit management, improves payment tracking, and helps businesses maintain accurate financial records efficiently.

Personal Details

Date of Birth	08/08/2005
Gender	Male
Father's Name	Mr. SRIKANTA PADHY
Address	Santoshpur ,Ganjam ,Odisha
Alternate phone number	9937320706
Language Known	Odia , Hindi, English
Interests & Hobbies	Music , Sports

Place: Gunupur, Odisha
